encouraged in their
faith & **equipped** to

There's been this

HOLE IN MY HEART

*that I didn't realize until I came here and I really
reflected... I want to change my life this time.
This place is honestly my favorite.*

12 families

connected with God and one another at Family Camp!

5 single parents gained community at Camp.

Family Camp {was a} time to disconnect from the grind and just have some fun and **RECONNECT WITH EACH OTHER** and with God. This was the perfect few days.

Our LIT program has **grown by 66%** since 2022!

35 teenagers

were disciplined as part of our year-long **Leader in Training** program.

I wasn't very close to God growing up, but Beechpoint helped me so much and now **I FEEL CLOSER TO GOD.**
