

## Greetings from the Camp Beechpoint LITs!

In May, 35 of us began a discipleship journey as part of the Camp Beechpoint Leader in Training (LIT) program for 14 to 17-year-olds. This summer, we grew our faith, were mentored by mature Christians, and learned how to serve others with the love of Jesus. From fall to spring, we will continue to connect and grow by returning to Camp every other month for weekend retreats and to serve. It is life-changing!

We are an important part of the Beechpoint family! Learn more at [www.beechpoint.org/LIT](http://www.beechpoint.org/LIT).

The LIT program is important to us because...

"I started a relationship with God for the first time at Camp."

"At Camp, I realized that God has plans for me."

"Camp helped me restore my relationship with Jesus."

"I was pushed this summer to be the best version of myself God created me to be."

Our 12-month journey costs approx. \$1,200 (\$100/month) per participant. Because the LIT program means so much to us, we are working together to raise \$40,000. **Will you help us meet our goal?**
