a message from Brent Boersma

THE EXECUTIVE DIRECTOR

As we wrap up our 65th year of ministry, I am grateful to share that Camp Beechpoint remains faithful to our calling — **to reach urban & under-resourced youth with the hope of Jesus Christ!**

9-year-old Isabella recently lost contact with her father due to domestic violence. At Camp, Isabella discovered that her Heavenly Father will never leave her. In response, she gave her life to Christ!

This past summer, for the first time since 2018, we were fully staffed allowing us to serve 150 more campers than last year! 131 campers accepted Jesus as their Savior for the first time, and 50 rededicated their lives to Him. *Lives are changed at Camp, where Christ is hope - thanks be to God!*

Youth need a place like Beechpoint — a place where they can be kids, build lasting friendships, and encounter the love and hope found in Christ.

Would you make a donation to Camp Beechpoint, helping us continue to serve campers like Isabella?

Your support and prayers make an eternal difference, both here on earth and in Heaven.

One of our greatest strengths is the ability to truly know the names and stories of the families we serve. Families like Isabella's - one of 502 campers that received a camp scholarship.

Thank you!

 It strengthened my relationship with Christ!

Camp Beechpoint is committed to serving families in hard places. We partner with prison, foster, and outreach ministries to identify families in need and provide continual ministry involvement after camp.

In 2024, 49% of our campers were either fatherless, in foster care, adopted, or had an incarcerated parent. Over 30% of our campers came to Camp faithless and an even greater number were churchless.
